DATE OF THE NEXT MEETING, 1917

june 11, 1917

The Commonwealth of Massachusetts.

OFFICE OF THE SECRETARY, BOSTON, Jan. 25, 1917.

To the Honorable Senate

and the House of Representatives.

I have the honor to submit herewith, in compliance with section 330, chapter 835, Acts of 1913, a report of the number of assessed polls, the number of registered male and female voters at the date of the last annual State election and city and town elections, and the total number of persons, male and female, who voted at each such election in every city and town, and in every voting precinct therein, together with the number of votes received by each candidate for nomination and for election for a State office, and for election for a State committee.

In further compliance with the law above quoted, I submit the following recommendations:—

First.—In view of a recent decision of a judge of the Supreme Judicial Court, by which in case of a nomination other than by a political party the name of a political party may be printed upon the official ballot next to the square where the voter makes his mark, I recommend that the use of political party names on nomination papers be prohibited except in cases of nominations of candidates to be voted for at primaries.

Second.—I recommend that the Secretary of the Commonwealth be authorized to employ such temporary clerical assistance as he may deem necessary to carry out the provisions of chapter 98, General Acts of 1916, entitled "An Act to ascertain and carry out the will of the people relative to the calling and holding of a constitutional convention," provided, however, that the provisions of chapter 19 of the Revised Laws and the civil service rules made thereunder shall not apply to such employment.

Third.—That provision be made for the tabulation by the Governor and Council of returns of votes on each question submitted to the voters in districts comprising two or more cities or towns where no other provision is made therefor.

Fourth. — That days on which registrars of voters are required to meet for the certification of names on primary nomination papers be changed from Saturdays to Fridays.

Fifth. — That section 199 of said chapter 835 be amended by striking out the words "One of the signers to each nomination paper shall make oath to the truth of the statements therein, and the certification of such oath and the post office address of the signer shall be annexed to such paper."

Sixth. — That section 200 of said chapter 835 be amended by striking out said section.

Seventh. — I also renew the following recommendations made in 1916: —

That section 102, chapter 835, Acts of 1913, be so amended that candidates for delegates to conventions shall not be ineligible to serve as primary officers.

That city and town clerks be required to make to the Secretary of the Commonwealth within four days after the day of the State primary a return of votes cast at such primary.

That the time within which candidates for election shall be required to make returns of expenses, etc., be extended.

Section 199 of said chapter 835 provides that nomination papers shall be "seasonably" submitted to the registrars of voters, and in Boston to the election commissioners, for a certification of signatures. I recommend that a definite time for such submission be provided by law, as in the case of primary nomination papers.

That section 202 of said chapter 835 be amended by striking out the words "Every nomination paper shall be filed by a responsible person, who shall with his own hand sign such paper and add to his signature his place of residence, giving street and number, if any; and the secretary of the commonwealth or the city or town clerk shall require a satisfactory identification of such person."

NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS
WHO VOTED AT ELECTIONS.

Apparent inconsistencies in the report may be accounted for, in part, as follows:—

First.—The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second.—The number of registered male voters includes persons who are exempt from taxation and therefore are not included in the number of assessed male polls.

Third.—Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.
